## Universal-Etiketten für Laser-, Inkjetdrucker und Kopierer

Unsere chlorfrei gebleichten Etiketten sind in ihrer Qualität ebenso ausgezeichnet, wie in ihrer Vielseitigkeit. Ein spezielles Multi-Level-Material sorgt jederzeit für ein optimales Druckbild und einen störungsfreien Druckverlauf.

## Universal labels for laser printers, inkjet printers and copiers

Our chlorine-free bleached labels are excellent in quality and versatility. Due to a special multi-level-material there is an optimized printing image and a trouble free printing flow

## Selbstklebende Ordnerrücken-Etiketten

- geben Ihren Ordnern ein einheitliches Erscheinungsbild
- für schmale oder breite Ordner
- auch als absolut blickdichtes (opakes Material) ideal, wenn eine vorhandene Beschriftung überklebt werden soll

## Self-adhesive labels for lever-arch files

- give your lever-arch files an identical appearance
- for narrow and wide file folders
- opaque material is also available – ideal to cover up the existing labels on used folders

## Highspeed für Laserdrucker

- gestochen scharfes Druckbild auch bei hohen Laufleistungen von mehr als 25 Blatt/Min.
- spezieller Materialverbund verhindert Verkanten und Verkleben
- erhältlich in der Vorratsbox mit 500 Blatt

## High speed for laser printers

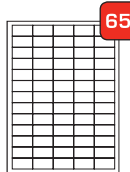

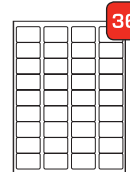

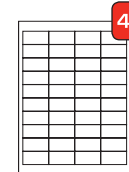

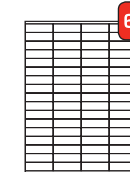

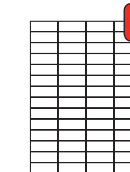

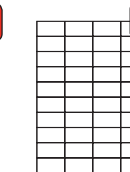

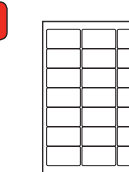

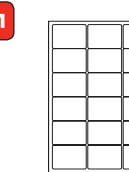

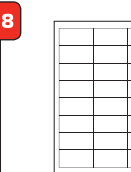

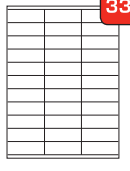

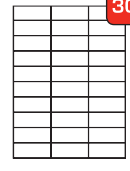

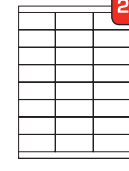

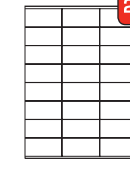

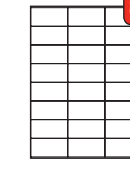

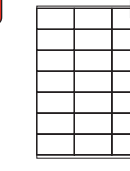

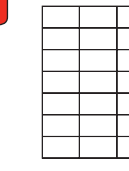

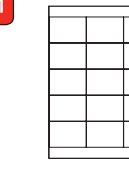

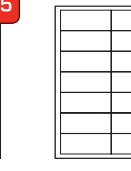

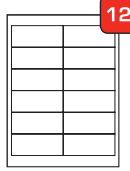

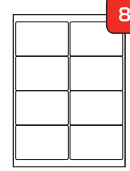

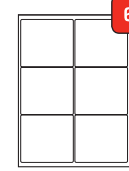

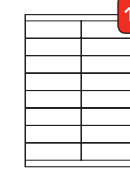

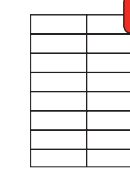

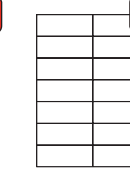

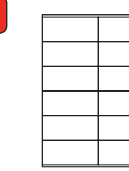

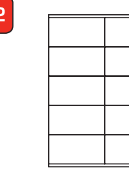

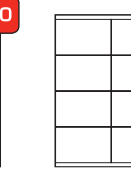

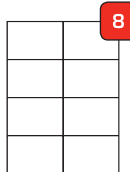

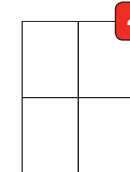

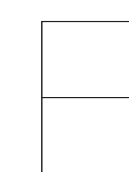

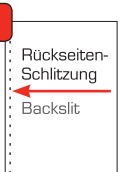

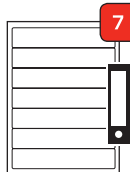

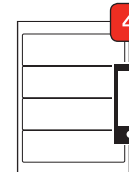

- brilliant printing image even at high speeds of more than 25 sheets per minute
- special heavyweight material compound to avoid sticking and twisting
- available in the 500 sheet box

## Unverwüstliches aus PE-Folie

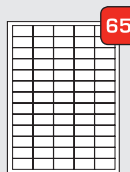

Ob im Freien, in Lagerräumen oder in der Produktion – dort, wo Etiketten hohen Belastungen ausgesetzt sind und stark beansprucht werden, ist das ideale Einsatzgebiet für PE-Folienetiketten. Sie zeichnen sich durch Unzerreißbarkeit, UV-Beständigkeit, Wasserfestigkeit und lange Haltbarkeit der Beschriftung aus.

## Rugged PET labels

Whether out in the open, in storage areas or in production – wherever labels are exposed to a lot of strain the PET-labels will do the job. They are tearproof, UV- and water-resistant and are characterized by their durability.

## Erklärungen | explanations

**Anzahl der Etiketten je Blatt | number of labels per sheet**

**Artikelnummer | article number:**

- A4 = Blattformat | sheet size
- 3821 = Etikettenformat | label size
- 100 = Blattanzahl je Verkaufseinheit | sheets per unit of issue

**Etikettenformat | label size**

Breite x Höhe des einzelnen Etiketts  
width x height of a single label

**Anzahl der Etiketten je Blatt | Number of labels per sheet**

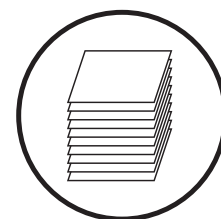

Spalten x Reihen = 5 Etiketten nebeneinander und 13 Etiketten untereinander | columns x rows = 5 labels across and 13 labels down

## Abkürzungen | abbreviations

- L = für Laserdrucker | for laserprinter
- LP = für Endlos-Laserdrucker | for continuous laser printers
- OP = opak | opaque
- P = perforiert | perforated
- PW = Polystick Folien-Etiketten weiß | Polystick foil labels white
- R = runde Ecken | round corners
- Ro = Rollen-Etiketten | roll labels
- TAB = Tabellier-Etiketten | tabulation labels
- TD = für Thermodirekt-Drucker | for thermal direct printers
- TT = für Thermotransfer-Drucker | for thermal transfer printers
- VE = Verkaufseinheit | unit of issue

Beispiel	105 Etikettenbreite in mm
	70 Etikettenhöhe in mm
Example	105 width of label in mm
	70 height of label in mm
